Can you nicely let her know we will happily add her to our media list?

THIS IS A STATEMENT FROM THE EPA!!! By the administrator. What do I have to do to get the same information you give to the national media?

I'll tell you what I have to do: Wake your colleague in Seattle and have her send it to me, long before she should have had to be at work.

The statement was issued at 5:11 a.m. from EPA HQ. It took me five hours to get it. And it would have taken longer if I'd roamed around the DOJ looking for it.

This is not right.

Hi. I'm looking for the EPA statement on the Pebble Mine. It has apparently been released to other media. (Why not to Alaska media?) Where can I find it?
